Instructions for Use

Product: GENTELL Lo Profile Foam Plus 4” Circular Split Drain Dressing

Product Code: GEN-14410

Date Prepared: March 2018

Version: 1

Indications:
Gentell’s Lo Profile Foam Circular Split Drain Dressing is ideal for heels, joints, and other wound sites with irregular or protruding surfaces, plus ostomy sites, catheters, and feeding tubes.

Contraindications:
None

Precautions:
None

Site Preparation:
Flush the wound with Gentell Wound Cleanser and gently dry the skin surrounding the wound site. Apply skin sealant around wound margins, if needed.

Dressing Selection:
Select the optimum size Gentell LoProfile Foam Plus dressing providing a minimum of one-inch (2.5 cm) margin around the edges of the wound.

Dressing Application:
Remove paper backing from the dressing and apply directly over the surface of the wound.

Dressing Change and Removal:
Change as ordered by a physician. To remove, gently press down on the skin and carefully lift an edge of the dressing. Continue until all edges are free. Repeat cleaning procedure.

Storage:
Store in a dry place at ambient temperature.

Do not re-use.
Do not use if individual package is damaged / opened.
The expiration date of this product is printed on the packaging.
