Instructions for Use

Product:	GENTELL Super Absorbent Dressing Adherent 2” x 2” GENTELL Super Absorbent Dressing Adherent 5” x 5” GENTELL Super Absorbent Dressing Adherent 8” x 8”
Product Code:	GEN-19420 2” x 2” GEN-19450 5” x 5” GEN-19480 8” x 8”
Date Prepared:	December 2018
Version:	1

Indications:
Gentell Super Absorbent Dressing Adherent is indicated for management of moderate to high exuding wounds, including: legs ulcers, pressure ulcers, diabetic foot ulcers, and dehisced surgical wounds.

Contraindications:
Do not use this product on dry or light exuding wounds, eyes, mucous membranes, or in wound cavities because the dressing swells during absorption. Do not use on third-degree burns. Do not use on individuals with known allergy or hypersensitivity to the dressing or its components.

Precautions:
Do not reuse. Do not use the dressing if the sterilized packaging is damaged or open. Do not cut the dressing; the cover must remain intact.

Site Preparation:
Flush wound with Gentell Wound Cleanser and gently dry the skin around the wound site.

Dressing Selection:
Choose the appropriate size dressing based on the measurements of the wound.

Dressing Application:
Apply Gentell Super Absorbent Dressing with white side to the wound.

Dressing Change and Removal:
The frequency of changing dressing depends on the amount of exudate. Dressing removal can be facilitated by moistening the dressing with saline solution.

Storage:
Store in a cool, dry place. Avoid light.

Do not re-use.
Do not use if individual package is damaged / opened.
The expiration date of this product is printed on the packaging.
